Claims made policies must have a retroactive date that precedes the commencement of this agreement, shall extend coverage for any claims relating to this agreement and allow for an extended reporting period of 3 years following termination of agreement or warranty period thereof, whichever is greater.

The insurance policies shall not contain any cross suits exclusions, cross liability exclusions, insured versus insured exclusions, any classification exclusions purporting to deny coverage for any work to be performed by Vendor, including supervisory activities or any of its subcontractors or independent contractors. Vendor shall ensure the activities of its subcontractors and independent contractors or require each of its subcontractors and independent contractors to maintain insurance as specified herein.
