

## July through December 2021 Palm Oil Traceability - Mill List

The following mill listing was self-reported by Hershey's palm oil suppliers and has been consolidated by a third party. This mill list contains the names of all palm oil mills engaged by Hershey suppliers – whether for products intended for Hershey or other customers of the suppliers – during the July through December 2021 time period. This list of mills, therefore, goes beyond Hershey's physical supply chain. To the best of our knowledge, the information contained in this mill list is accurate and reliable as of the time of publication.

The updated list includes the names of mills and suppliers that have subsequently been suspended in part due to the timing of the reporting period, which lags behind our most recent suspensions. We continue to work with suppliers to effectively remove all mills suspended by Hershey in accordance with our Responsible Palm Oil Sourcing Policy as part of our Palm Oil Grievance Log process. Any suspended mill or parent company that continues to appear in this list are marked with an asterisk.

U.S. Customs and Border Protection placed two Withhold Release Orders (WROs) in H2-2020 on FGV Holdings and Sime Darby Plantations. Both appear in this mill list because the list represents all mills connected to Hershey's suppliers during the reporting period and includes mills whose product was not specifically sold to Hershey. Hershey has clearly communicated to our direct suppliers that compliance with the WROs is mandatory, and we do not tolerate forced labor in our supply chain.

We welcome any stakeholder who has reliable data that is inconsistent with our own reporting to share it with Hershey so we may analyze it and update our supply chain disclosure, if necessary.

Hershey's Palm Oil Grievance Log is available here: <https://www.thehersheycompany.com/content/dam/hershey-corporate/documents/responsible-sourcing/palm-oil-sourcing/The%20Hershey%20Company%E2%80%99s%20Palm%20Oil%20Grievance%20Log.pdf>
